JULY TO SEPTEMBER

VOLUNTEER GAME NIGHT-JULY

Close to the end of July, we had our first virtual volunteer game night where we engaged the volunteers in a meaningful reflection and invigorating team games to build rapport with one another. We were so glad to witness the fun and excitement of the teams as we saw ice being broken and volunteers enjoying themselves.

FZ CAREPACK DELIVERY

In the second half of August, the staff of BCCS, together with our volunteers, came to bless our beneficiaries in Lorong Lew Lian. It was a hope-filled journey as we connected with the different elderly by distributing food items to assist them with their livelihood. We are thankful to the various volunteers for giving their time and energy to bring blessings to those in need and check up on the wellness of the family.

PROJECT MOONCAKE BLESSINGS

For this September's mooncake festival, BCCS had aimed to bless 110 elderly households with mooncakes. We campaigned 'mooncake for a cause' through fundraising, also known as project mooncake blessings 2021. In 3 weeks, we managed to hit the target of raising over 110 mooncake boxes of mooncakes to bless over 110 elderly households. We are so grateful to our donors for making this possible in warming the heart of the elderly through their generous giving.
