Fundraising Highlights

July Missions Month

Returning to normalcy, BCCS had a mini carnival during the month of July across 2 Sundays on 17th & 24th.

With the possibility of winning various tiered prizes through the games, children and adults alike challenged one another and enjoyed themselves.

Ranging from carnival games to our local favourite food, like lontong and mee siam, was handmade with care and love by our beneficiary. The food was so well-received by the crowd that it was sold out in less than an hour!

Through this event, BCCS manage to raise a total of \$3000. We are thankful for the support given to us by everyone involved.

Programmes Highlights

Republic Poly Financial Literacy workshop

In early July, Year 1 students from Republic Poly organised a financial literacy workshop for the young beneficiaries of BCCS.

Packed with engaging games, activities and prizes. Our beneficiaries ranging from primary to secondary school received much insights to financial literacy.

Music Programme @ First Toa Payoh Primary

In August, our new programme was started rolling with the sole purpose of reaching out to primary 3 students from First Toa Payoh Primary school, teaching different music skills, imparting values through games and encouraging creativity and perseverance through music.

Organised on every Friday of the week. It was so well-received by the school that they requested for the programme to be expanded to the upper primary.
